G'day Land carers,

Our thoughts are with everyone affected by the recent fires. We know these events have had a significant impact on many people across Victoria, including members of our own community.

Landcare isn't just about planting trees; it's about people and community. In the wake of the recent fires, we want to be a place where people can come together, connect, and support one another. If you'd like to see more social catchups, dinners, community BBQs or informal gatherings, please get in touch. We're here to help strengthen connections when they matter most.

The Leslie Manor Landcare group are hoping to organise a community BBQ soon as a thankyou to everyone who helped. So please stay tuned and come along.

Our thoughts are with everyone across Victoria facing extreme heat and the ongoing threat of fire. We know this is an incredibly difficult time for many people and communities, and that attention and energy need to remain where they matter most.

With this in mind, early bird pricing and the Corangamite CMA community offer have been extended by two weeks.

We also want to remind everyone that **free GROUNDED tickets are available for anyone directly affected by the fires**, now or in the coming weeks. Please don't hesitate to reach out if this support would be helpful.

LLPG meetings are held on the second Thursday of every month. If you'd like a topic raised at a meeting, contact Sarah or a committee member by the Tuesday prior. Sarah is working part time - Mon/Thus/Fri (am)
